COST: Workshops are free of cost

During this workshop, the presenters will focus on children’s capabilities rather than solely on their needs and challenges. Participants will be provided with strategies to assist young children who may be experiencing worry and anxiety. They will explore the book; “The Kid’s Guide to Staying Awesome and in Control”.

NOTE: Copies of “The Kid’s Guide to Staying Awesome and in Control” will be provided to Oxford County licensed Child Care Programs at no cost.

A representative from the program must be in attendance to receive a free copy (one copy per program).
